The Public Service Commission of South Carolina has received telephone calls from members of the public who have received telephone calls from individuals claiming to be an employee from the Public Service Commission wishing to discuss the potential refund available to South Carolina Electric & Gas Company customers to be given as a result of the proposed SCANA-Dominion Energy business combination.

Please be advised that no Public Service Commission of South Carolina employee will contact a member of the public about this potential refund. If consumers receive such a call, they should contact their local law enforcement agency.
